DVED GFORM

A close-up photograph of a dark, curved metal component, likely a part of a baking tray or pan. The surface is smooth and reflective. Two technical annotations with arrows point to specific parts of the component. The first annotation, 'INCREASED BODY THICKNESS 0.6 MM', points to the side wall of the component. The second annotation, 'BOTTOM THICKNESS 0.4 MM', points to the bottom surface of the component. The background is a light-colored, textured surface.

NORDIC

Keeping in step with the category DNA, the DAY Nordic packaging is simplicity in itself. Our old school DAY logo has been clipped cleverly of extra markings and it gave birth to this stylish new logo. The packaging is in brown cardboard paper, with a black gridlines pattern.
