

HOME AND KITCHEN

LIVING

Living.

Your home is your sanctuary. Fill it with objects that spark you joy and are functional. We have a wide selection of furniture, home decor, storage solutions etc. that are nordic in design and will be a classic staple in your room. Build a home that you can relax in with our assortment.

WE STRIVE TO BE YOUR SHORTCUT TO SUCCESS

We believe that life should be easy,
just as we believe that buying
good products at the right price
must feel like a seamless experience.

We eliminate your worries.

Because we have the insight,
the experience and the strength to do so.

PLASTIC IS THE NO.1 THREAT TO OUR OCEANS

It seems impossible to imagine a world without plastic. But plastic is destroying the wildlife in our oceans. Plastic pollution is a massive concern and a huge threat. We should try to find ways to reduce the production of new plastic by turning plastic waste into useful material and products instead.

USED FISHING NETS AND ROPES

ARE COLLECTED FROM THE FISHING INDUSTRY – MAINLY IN EUROPE

THEY ARE SENT TO OUR PARTNER IN DENMARK

WHO WASH, CUT AND CONVERT THEM INTO

MATERIAL GRANULATE

MATERIAL IS INJECTED INTO MOULDS

OUR OCEANPLAST ITEMS ARE READY!

WHAT IS OCEANPLAST

OceanPlast is made of plastic waste from the fishing industry such as ropes and nets. By using this waste material to make beautiful products we can reduce the production of new plastic and ensure that ropes, nets and other plastic ware will not pollute our oceans which affects our entire ecosystem.

THERE'S ONLY ONE PLANET EARTH
